By Kumud Mohan

**Corrections:** In the article "Creating Cross-Cultural Music" in the July/August 2007 issue, SPAN incorrectly stated that the capital of Maryland is Baltimore. The capital is Annapolis.

In the article "National Family Health Survey" in the May/June 2007 issue, SPAN incorrectly stated that 80 percent of health services in India are provided by the public sector. However, the private sector provides the majority of health care in the country.
